

Dear Dr.Baroudy,

I should like to get straight to the point; I am searching for the Dr. Ismail Baroudy who wrote the paper *In Search of a Remedial Philosophy: A Consecutive Study of Hafez and Goethe*.The Poetry International Festival Rotterdam 2013 is dedicating an entire evening to these two poets, and I read this particular paper with great interest.

If you are indeed the Dr. Ismail Baroudy who wrote this paper, might I ask you some additional questions on the subject?

Sincerely,
LenetteVlasman
